## BEST IN CLASS SECURITY

We've left no stone unturned to make WazirX India's most secure exchange. We're investing in regular security audits to ensure a highly secured trading platform for India.

## SUPER FAST KYC

Top of the line identity verification systems process your KYC within a few hours of signing up, while ensuring the right KYC protocol. We're building in robustness to sharply reduce verification times.

security audits to ensure a highly secured trading platform for India.

### LIGHTNING SPEED TRANSACTIONS

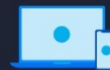

WazirX can handle Millions of transactions. Our system infrastructure can scale up in a few seconds to match surging demand.

### SIMPLE & EFFICIENT DESIGN

Trading on the WazirX platform is a super fast experience you'll fall in love with! We've built technology used by Millions, and that experience has helped us build this powerful exchange.

ensuring the right KYC protocol. We're building in robustness to sharply reduce verification times.

### ACROSS 5 PLATFORMS

WazirX offers a seamless and powerful trading experience across all platforms - on Web, Android & iOS mobile, Windows, and Mac apps.

### BUILT BY BLOCKCHAIN BELIEVERS

We're a team of hardcore traders & passionate blockchain believers. We understand exactly what you need. Powerful graphs, mobile apps, etc are features being built into WazirX from day 1.
